OFFICE OF PETITIONS

Statement of Facts

1. A notice of appeal was timely filed by the applicant on April 23, 2003.
2. An appeal brief was timely filed by the applicant on June 23, 2003, but the credit card authorization form was inadvertently not included.
3. An Office communication concerning this appeal brief was mailed by the USPTO on August 29, 2003. The communication, authored and signed by Sonya Williams (CIE), states:

The appeal brief was not entered due to a lack of fees. There was not an authorization to charge. Please forward the necessary fees for processing.

A copy of the August 29, 2003, Office communication is attached as **Exhibit A**.

4. A credit card payment form (form PTO-2038) was then submitted in a timely manner by facsimile transmission by the applicant to the PTO and, specifically, to the fax number provided by Ms. Williams, on September 5, 2003. The credit card payment form authorized a \$320.00 payment for the 37 C.F.R. § 1.17(c) fee for the appeal brief. This amount was sufficient on the day of the payment form submission. A copy of the original credit card payment form is attached as **Exhibit B**. Please note that the credit card account number has been redacted in the interest of security.
5. A confirmation report from the facsimile sending unit indicated a “successful” send of the credit card payment form to the PTO fax number provided by Ms. Williams. A copy of the confirmation report is attached as **Exhibit C**.
6. A Notice of Abandonment, a copy of which is attached as **Exhibit D**, was mailed by the USPTO to the undersigned on November 13, 2003. The reason for the

abandonment indicated in the Notice by Examiner Akers was that "No fee paid for Appeal Brief ..." Evidently, the credit card payment form timely submitted by the applicant and received by the PTO was never properly matched with the file.

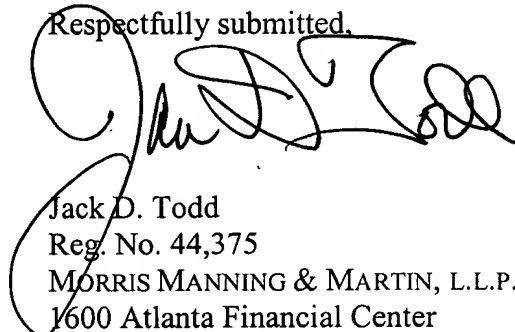

Requested Action

Based on the foregoing statement of facts, Applicant respectfully requests that the following actions be take by the USPTO:

- (1) Grant revival of above-referenced patent application.
- (2) Accept payment for the appeal brief fee due under 37 C.F.R. § 1.17(c). A new credit card payment form authorizing a \$330.00 payment (current fee schedule) for the fee is provided herewith.
- (3) Enter the appeal brief previously submitted into the above-referenced application for consideration by the Board of Patent Appeals.
- (4) Refund the \$1,330 Petition Fee to the applicant, if deemed appropriate, based on the foregoing Statement of Facts.

Applicant has made a *bona fide* attempt to comply with the conditions set forth in 37 C.F.R. § 1.137(b). If any condition remains incomplete, then Applicant kindly requests that the undersigned be contacted at the address or telephone number shown below in order that such condition may be met.

Respectfully submitted,
